INDOOR TRACK AND FIELD CHAMPIONSHIPS

Host Schools

In the event the Conference Championship is held at a neutral site, a rotation schedule will determine which two schools will be identified as the host schools for the Championship. The host schools for the 2010 Championship will be UNC Asheville and Coastal Carolina University.

Facility

The facility must meet NCAA Division I requirements as well as the Conference's list of minimum standards (see attachment). The facility should provide adequate areas for spectators, appropriate media facilities, electronic timing and scoring systems, public address system, music and availability of all necessary equipment. The facility must have an adequate number of restroom facilities available onsite.

Team Entry and Parking (Clemson)

Spaces will be provided for team buses/vans in the parking lot between the baseball stadium and the indoor facility. Teams may be dropped off at the indoor facility but the buses and vans will be parked in the parking lot between the baseball stadium and the Indoor Track Facility. **Team buses and vans will not be allowed to park in the lot adjacent to the Indoor Track Facility.**

Locker Rooms (Clemson)

Locker rooms are not available for the participating teams. All teams should dress at their hotel.

Ticket Prices (Clemson)

There is no charge for admission to the 2010 Big South Conference Men and Women's Indoor Track & Field Championships.

Medical and Training Facilities (Clemson)

A training facility will be available for treatment and/or training. A trainer from each institution is strongly encouraged to attend in order to accommodate their team's needs. Only a certified athletic trainer will be allowed access to the training room equipment.

INDOOR TRACK AND FIELD CHAMPIONSHIPS

Coaches Committee

The Coaches' Committee for the Indoor Conference Championship will be comprised of the following individuals:

- 1) The chair
- 2) The head coach(es) from the host institution(s)
- 3) The head coaches from the three closest institutions geographically to the host school

If any of these institutions have a split men's and women's program, both head coaches will serve on the Coaches Committee. Only the men's head coach will be allowed to vote on a men's related issue and the women's coach will be allowed vote for a women's related issue

Protests

The Conference track and field liaison will establish a protest format for the Championship. Protest forms will be available to all head coaches at the clerk's table. All protests must be made in writing. The clerk will notify the head referee immediately of all protests. All protests will be acted upon in accordance with NCAA Track & Field Rules.

Jury of Appeals

The area or event official and the head referee will make the initial decision on a foul or disqualification in accordance with the NCAA Track and Field Rules Manual. All appeals on a decision will be made to the Jury of Appeals. The Jury of Appeals will consist of the Big South Conference track and field liaison and two outside individuals with sufficient knowledge of the sport, with all three individuals allowed to vote. The two individuals must be approved by the coaches committee during the pre-championship conference call.

The host institution will make every attempt possible to find two unbiased individuals with sufficient knowledge of the sport to serve on the Jury of Appeals. In the event that the host is unable to find two individuals, the track referee and/or the field referee (depending on the nature of the protest) can serve as one member of the Jury of Appeals. The host school is still responsible for finding a third person. The Jury of Appeals must be approved by the Coaches Committee prior to the Championships.

INDOOR TRACK AND FIELD CHAMPIONSHIPS

Rules

NCAA Rules for Track & Field will be used in the conduct of the Big South Championships, except for specific issues that the Conference head coaches have voted to change, such as order of events, scoring, number of entries, etc.

Officials

The host institution(s) and Conference office will be responsible for ensuring that the appropriate officiating positions have been secured prior to the championship.

The following five (5) USATF certified officials shall be secured: (1) Starter(s); (2) Meet Referee; (3) Field/Multi-Event Referee; (4) Running Referee and (5) Statistician/Timer. A Head Marshal and Coordinator of Officials will also be secured for the Championship. These officials must be approved by the Coaches' Committee prior to the meet.

All other officials and their duties will be outlined in the NCAA Track and Field Rules, unless the Conference or the head coaches stipulate otherwise. All personnel marking, recording or calling fouls as officials may not be track and field coaches, student-athletes or graduate assistants.

Meet Referees

The Head Referee, Running Referee and Field Referee will review pertinent NCAA Track & Field Rules with all officials prior to the competition.

Umpires

There will be a minimum of two (2) umpires assigned to each turn, one (1) inside the track and one (1) outside the track. Inspectors will judge each straight, plus the relay passing zones during the relay races. Inspectors will be located at the break point in races with a one (1) or two (2) turn stagger. The umpires will officiate the straight races divided between the ends and the sides.

Additional Staffing

The host facility shall be responsible for providing parking attendants, ushers and other pertinent event personnel.

INDOOR TRACK AND FIELD CHAMPIONSHIPS

Equipment

All necessary equipment shall be provided by the host facility (and/or host institutions) and shall be in compliance with NCAA Rules. The host facility will provide the following:

- hurdles set up and available
- starting blocks
- public address system
- rakes and brooms at all pits
- tape measure
- shovels at each pit
- crossbars and standards
- measuring tool
- lap counter

Automatic Timing System

An automatic timing system will be used and will be provided by the host institution.

Transportation

Teams are responsible for their own transportation. Expenses will not be reimbursed by the Conference.

Lodging

The Conference office will attempt to secure host hotels for each Conference Championship event. If a host hotel is not declared, a list of available lodging options and room rates must be provided to member institutions. *If the Conference office is securing lodging for the championship, that information will be provided to all participating institutions via the Conference liaison.*

Any damage to the lodging facility is the liability of the responsible institution. The hotel should be notified to contact the host institution regarding any incidents of misconduct.

Hospitality/Team Meals

Hospitality meals will be provided for officials and head coaches. Participating institutions are responsible for all team meal arrangements.

INDOOR TRACK AND FIELD CHAMPIONSHIPS

Schedule

The meet should follow the official Big South time schedules. Any changes made to the schedule, due to facility constraints must be clearly noted in the information packet sent to the head coaches. The last field event should be scheduled to try to conclude 30 minutes prior to the final running event (4x400). This is for meet management and for team scoring, as well as for timely return team travel. The format of the meet may be changed, when deemed necessary, by the Meet Director with the approval by a majority of the head coaches prior to the competition.

Scratches

All scratches will take place prior to the heats being drawn and distributed to the coaches at the coaches meeting.

Implement Weigh-In

All multi-event field implements must be weighed-in prior to the start of the first day of competition.

Implement check-in will open 2 hours prior to the start time and will close 45 minutes before the event start. Implements will be impounded after weigh-in and will be released back to the athlete at the implement weigh in area at the conclusion of the meet.

Check-in Procedure (Running and Field)

All athletes must check-in to the meet clerk no later than 30 minutes prior to the start of a running event. Athletes competing in a field event may check in with the designated event officials anytime prior to the start of the event.”

Lane Assignments/Preferences

Lane assignments will not be altered after the pre-meet coaches meeting, (i.e. if all lanes are filled and a competitor doesn't show or scratches) that lane will be left vacant. The exception is if the clerk combines heats to fill many vacant lanes.

For the 200 and 400 meters, only the four outside lanes will be used, and the lane preference will be 5,6,4,3. Lane preferences for the 4 x 400 will be 5,6,4,3,2,1.

INDOOR TRACK AND FIELD CHAMPIONSHIPS

Heating and Flighting

During the competition, the referees and jury members will not be responsible for heating and flighting. The clerk of the course shall have the authority to combine heats with the approval of the head referee/meet director. The fast heat in any non-trial final will be the last heat to run, where applicable. Empty lanes in a final will not be filled.

The number of participants for the 3,000 meters will be limited to sixteen (16) in the fast heat. If more than 16 competitors are entered in the 3000m, the race will be run in two sections with a maximum of 12 competitors in the fast section

There will be a maximum of eight (8) participants in the men's and women's 800M and the race will be run in two alleys.

The women's 4x400 relay will be run in two sections with four teams in one heat and five teams in the other. The men's 4x400 relay will be run in two sections with four teams in both sections.

The Coaches Committee will review the heat sheet prior the pre-meet coaches' meeting to determine if any adjustments need to be made to the number of competitors in each heat. Changes will only be made if it is deemed to be in the best interest of Conference Championship.

Advancement Procedures

When dealing with advancement procedures the Indoor Track and Field Championships, the Conference will follow the rules listed in the NCAA Track and Field Manual.

Starting Heights

The starting height for the pole vault will be 30 cm below the 8th ranked person on the performance list or the lowest ranked person if less than eight participants have not reported. The starting height for the high jump will be 15 cm below the 8th ranked person on the performance list or the lowest ranked person if eight participants have not reported.

Triple Jump Boards

The triple jumps boards will be 32 feet and 36 feet for the women and 36ft and the facility's standard board for the men.
