

## **Calhoun County Meet Track and Field March 22, 2010**

The Calhoun County Track and Field Meet will be held on March 22, 2010, at Jacksonville State University. A list of job assignments is listed below. Please see what you are responsible for and report there in a timely manner. A schedule is listed below. A layout of the stadium is shown below. The javelin area may be in a different area depending on JSU's coach. Pay close attention to where the clerk tent will be located. Runners will check in at the tent and remain there until the event. Field competitors will report to the designated area. The meet is a one-day meet as we were asked to eliminate some costs due to timers and officials. Times are approximate. We will run in order of the schedule. Any running event with 8 or less competitors will run only in the finals. There will be a concession stand. Restrooms will be located in the coliseum. Buses will park in fenced-in parking area. Remember athletes cannot have any jewelry except for a watch. There are to be no noise makers near a starting zone or a competition zone. This includes cell phones, MP3 players, and iPods. There is to be no music or DVD's played where anyone can hear them; you must use headsets. There will be a committee to handle any problems. There will be a \$20 complaint fee, which you would get back if you are correct.

### **Register:**

You will register your athletes at [www.cfpitiming.com](http://www.cfpitiming.com). I will let you know when you can register, then you will go to this site and register by the stated deadline. Once the deadline is reached, there will be no changes, no substitutions, or additions; you will only be able to scratch a competitor. There will be no need for a seed meeting; the website handles everything. Your school can mail fees to Alexandria High School by March 16, 2010. Fees must be paid in order to compete. It will be \$75 per team. \$150 for schools with a boy team and a girls team.
