CHAMPIONSHIP INFORMATION

ATHLETIC COMMUNICATIONS

Athletic Communications and media relations for the championship is under the direction of:

Brian Mason
Athletic Communications
Office: 608-262-2311
Cell: 608-279-8659
Address: 1440 Monroe Street, Madison, WI 53711

Please contact Brian Mason prior to your arrival with any media questions.

All requests for media credentials, including institutions' communications contacts, should be directed to Brian Mason.

Coaches and student-athletes are asked to make themselves available to the media at appropriate times throughout the championship.

Results will be made available in the coaches hospitality area throughout the championships.

The Big Ten Network will be on site to gather footage for a highlight show of the championship.

Championship information and results can be found on www.UWBadgers.com.

ATHLETIC TRAINER

Kristy Walker and Chuck Hart are the host athletic trainers throughout the championship. Please provide the following information to your team athletic trainers.

TO: Track & Field Athletic Trainer
FROM: Kristy Walker, MS, LAT & Chuck Hart, PT, LAT
RE: Medical Services available for the 2012 Big Ten Outdoor Track & Field Meet at Wisconsin

The following is a list of services will be available to you and your team beginning Thursday, May 10th:

Athletic Training treatment tent located on the practice turf near the athlete warm-up area:

- -Ice bags & ice cups
- -Hot packs
- -Hydroworks Plunge Pool (cold whirlpool)
- -Ultrasound & Electrical Stimulation units (prescription required for any treatments requested by visiting athletes traveling without an athletic trainer)

Water & Cups at various locations around the track & surrounding areas.
Emergency Equipment (AED, spineboard, crutches, splints, etc.)
Certified Athletic Trainer present on-site for all scheduled contests
Physician on-site for all scheduled contests
EMS Ambulance on-site for all scheduled contests

There will be a number of treatment tables provided for your use, but you will be welcome to set up your own treatment tables in the Athletic Training tent near the warm-up area if you like. We prefer any massage therapists set up in your respective team tent areas to avoid congestion.

If there is an emergency with one of your athletes, you will be allowed to enter the in-field and one of the Wisconsin medical staff will assist you with transportation to the medical area. Please ONLY enter the in-field area in the event of a medical necessity.

During your stay in Madison, please feel free to contact us with any medical needs or questions at the phone numbers listed below.

Kristy Walker, MS, LAT	Staff Athletic Trainer	(608) 225-6820 cell	kxw@athletics.wisc.edu

The Medical Emergency Action Plan can be found on page 18.

AWARDS

The following awards will be presented during the Championships:

Individual medals to the first three finishers in each event, including all members of the first three finishing relay teams.

Two team championship trophies (one men's, one women's).

Awards will be presented on the award stand near the south end of the track.

Please have your student-athletes available for these announcements and recognitions immediately following each competition finals. Coaches are reminded to instruct all their award winners to wear their official team warm-up to the awards stand.

Track Athlete of the Year, Field Athlete of the Year, Freshman of the Year, Coach of the Year, Track Athlete of the Championships, and Field Athlete of the Championships awards are shipped to the appropriate institutions. Selections are made by coaches' ballot the Tuesday after the championships (**Tuesday, May 15**). A **Big Ten Conference Awards Ballot** is located on page 29 of this manual.

CHAMPIONSHIP FACILITY

The 2012 Big Ten Outdoor Track and Field Championships is hosted at the McClimon Memorial Track Complex.

The 400-meter, eight-lane track is made of polyurethane "Martin 2000" surface. The track surrounds a spacious field events area which doubles as a soccer field. The field features a steeplechase water jump, six jump pits, three discus circles, four shot put throwing circles, high jump and pole vault pits, and two javelin throwing runways.
General bleacher seating is available with additional seating available on the grassy embankment surrounding the bleachers.

A large surface parking area is available just north of the complex in Lots 60, and a parking ramp labeled Lot 76.

Facility diagrams are available on pages 20-21. This includes the McClimon Track Complex Site Map (page 20) and Athlete Area Site Map (page 21).

Facility Specs:

- Length of Pole Vault Runway: 160' / 48.75m
- Length of Long Jump Runway: 240' / 73m and 155' / 47m
- Length of Triple Jump Runway: 240' / 73m
- Length of High Jump Runway (both sides): 59' / 18m
- Distance of the take-off boards to the pit:
  - Long jump is 2'11" / 0.9m
  - Triple Jump is 33'8" / 10.25m (Women's) and 42'4" / 12.9m (Men's)
- Number of Lanes on the Track: 8

CHAMPIONSHIP RULES

All rules and procedures not covered in the Big Ten Conference Men's and Women's Outdoor Track Championships Manual and the Conference Handbook shall fall under the rules and procedures of the NCAA Track & Field Rulebook.

CLERK'S TENT

The Clerk's Tent is located in the Northeast corner of the McClimon Track Complex directly across Walnut Street from the warm-up area. Athletes should check-in with the clerk 30 - 45 minutes before their event. For relays athletes must check-in no later than 15 minutes before the event. Athletes will be escorted to the starting line.

COACHES' MEETING

The mandatory Championships Coaches' Meeting will take place on Thursday, May 9th at 7:00 PM inside Gate A of the Kohl Center. Dinner will be served at 7:00 PM with the meeting to follow. Please refer to page 24 for the Kohl Center Parking and Directions.

There will also be a Coaches' Meeting following the last race of each day during the Championships.

COACHES' PACKETS

Coaches' packets will be distributed to each head coach at the Coaches' Meeting on Thursday, May 9th. These packets include: credentials, competition numbers, pins, heat sheets, and other championship information.

COACHING BOXES

A map provided in the coaches' packets will include the location of coaches' boxes. Those without coaching credentials will be asked to leave the coaches' boxes. There is a limit of one coach per institution allowed in each event coaching box.

CREDENTIALS

Credentials will be issued for the coaches, team personnel, event staff, media and officials. Student-athletes will not be provided credentials but will be issued a wristband. Please wear your credential at all times for access to the hospitality, student-athlete areas, and coaching boxes. Please fill in the names of all staff on the **Official Travel Party Form** (page 26) and return by **Wednesday, May 2**.

DRUG TESTING

As part of its comprehensive drug testing program, the Big Ten Conference will conduct drug testing at a number of Conference championships and tournaments each year. Drug testing may occur at any Big Ten Championship or tournament and any student-athlete on the travel squad (including a nonparticipating or injured student-athlete) is subject to drug testing. Specific information regarding drug testing protocols can be found in Appendix F of the Big Ten Conference Handbook. Please fill out and return the **Team Travel Information Form** (page 25) including the name and cell phone number of your institutional representative who will be responsible for assisting with the drug testing procedure should one of your student-athletes be chosen for testing.

ENTRY FORMS / PROCEDURES

Please visit www.directathletics.com to complete your online registration for the 2012 Big Track and Field Championships. The final entries are due **Wednesday, May 9 at 12:00 PM (CST)**.

Final entries shall be a maximum of four entrants per event per institution in all individual events and a limit of one relay team per institution in each relay race. The travel squad limit for the Championship is 34.

Final entries must be submitted to www.directathletics.com by **Noon** (central time) on **Wednesday, May 9**. All entries are final at this point, and they will be forwarded by the on-line entry service to the timing service to be used by the host institution. Final entries will be drawn by computer with like performances randomly drawn by computer. Each institution shall convert – if necessary – all times, distances, and heights for seeding purposes.

-NCAA adjustments for altitude shall be used when applicable.

-All field event performances should be listed in metric distances and heights.

Except where noted, all times, distances and heights shall be submitted. The site of the performance should also be included.

-Wind-aided marks greater than 4.0 shall not be used for seeding purposes.

Performances submitted by coaches must have been made in the current outdoor season and must include the student-athlete's best performance of the year. No relay performances are acceptable.

Heating and flighting shall be accomplished in accordance with the guidelines established in Section 14 of the Big Ten Outdoor Track and Field Championships manual (also found on page 13), and drawn by computer.

Direct Athletics will make available a complete list of all entries for each event during the afternoon of Wednesday, May 9th, immediately following the noon deadline for final declarations. Coaches will receive notification via email, and the lists will either be contained in the email, available on-line, or both.

HOSPITALITY

Proper credentials are required to gain access into all of the hospitality areas.

Athletes Hospitality: Fruit, healthy snack foods, and water will be available in the Athlete warm-up area throughout the Championships.

Coaches Hospitality: A tent will be located in the Southeast corner of the McClimon Track Complex near the officials / staff hospitality tent. Meals will be provided during competition times throughout the Championships in this area. Results will also be available to coaches in the Coaches' Hospitality Tent.

Officials and Staff Hospitality: A tent will be located in the Southeast corner of the McClimon Track Complex near the coaches' hospitality tent. Meals will be provided during competition times throughout the Championships in this area.

INCLEMENT WEATHER

In the case of inclement weather you will be notified by the officials and staff where to proceed. Nearby campus buildings serving as shelter areas include: Natatorium, WARF, Nielsen Tennis Complex, and Lot 76 Ramp.

IMPLEMENT CERTIFICATION / IMPLEMENT WEIGH-IN

Implement weigh-in will take place at the storage facility in the Southeast corner of the McClimon Track Complex. All athletes should bring their implements for weigh-in no later than 90 minutes prior to the scheduled event. After being weighed-in, implements will be impounded and delivered to the throwing area 60 minutes prior to the competition.

IMPLEMENT / EQUIPMENT SHIPPING

The Wisconsin Athletic Department will accept and deliver any tents, pole vault poles, implements or other equipment you plan to ship. You can pick up your shipment at the implement weigh-in building at the McClimon Track Complex beginning Thursday, May 10.

Items must be received no later than Wednesday, May 9, 2012 at:

University of Wisconsin Athletics
c/o Daron Jones
Kohl Center
601 West Dayton Street
Madison, WI 53715

Following competition, the Athletic Department will ship your items back for you. Please provide a pre-paid Shipping Label to affix to the shipment at Thursday night's coaches meeting. All items will be shipped out on Tuesday, May 15, 2012.

Please notify Daron Jones if you plan to ship any tents or equipment. Daron's contact information can be found under the Championship Contacts on page 3.

GAMES COMMITTEE

The Games Committee shall consist of the 11 (respective men's or women's) Conference head track coaches, and the Conference office representative as a non-voting member.

All members of the Games Committee must be present to convene the Committee. A majority of six (6) is required for actions or recommendations by the Committee.

The primary function of the Games Committee is to give specialized assistance and guidance to the championship manager when questions or problems arise during the conduct of the championship where authority for resolution of such problems is not covered by the manual, the NCAA track rules or the rules, regulations and agreements of the Conference.

LOCKER ROOMS

No locker room facilities are available at the McClimon Complex. If you would like to request a locker room and shower facility for Sunday, May 13, please include this information on the **Team Travel Information Form** by **Wednesday, May 2**.

MERCHANDISE

Official Big Ten Championships short sleeve shirts will be available for sale at the track each day of competition. Teams wishing to pre-order their t-shirts to be assured proper size availability can use the **T-shirt Order Form** located on page 27. Deadline for receipt of this form is **Friday, April 27.**

ORGANIZATION COMMITTEE

The Organization Committee shall consist of the current host coach, along with the host coaches of the previous year's championships, the following year's championships, and the Conference staff liaison.

The organization committee will meet at 2 PM on Thursday, May 10 at the finish line of the McClimon Track Complex. At this meeting, the Organization Committee shall review all heat sheets for the championships.

PARKING

Team Parking:

Thursday (practice day)
Team buses may drop-off on Walnut Street during Thursday's practice day. Buses should relocate after dropping off. Teams with vans or smaller vehicles may park in the Lot 76 parking ramp. While at practice please see Daron Jones to receive a parking validation that will allow you to exit the Lot 76 ramp at no charge. Lot 60 and Lot 76 become free after 4:30pm.

Friday – Sunday (competition days)
A limited amount of parking for team buses is located on 700th Avenue of Walnut Street (the McClimon Track Complex is to the West and the team warm-up area is to the East). Additional team parking information will be provided at the Coaches' Meeting on May 10.

Spectator Parking: On Friday, May 11 spectator parking is available for $10 in Lot 76 (parking ramp) located Northwest of McClimon Track Complex (corner of Marsh Drive and University Bay Drive).

On Saturday, May 12 and Sunday, May 13 spectator parking is available at no cost in both Lot 60 (surface lot) and Lot 76 (parking ramp).

PROTESTS

1. Protests relating to matters which develop during the conduct of the championship should be made at once and not later than 30 minutes after the result has been officially posted. This must be in writing. If no protests were filed after the aforementioned 30-minute period, the results are declared as final and no changes to them may be made.
2. On any disqualification, the referee shall inform the coach involved before the official results are announced.
3. Any protests must be made in writing by one of the coaches, and submitted to the referee, who will render a decision (the **Protest Form** can be found on page 28).
4. The announcer will record the time of results and announce the results.
5. A second protest (appeal) may be made to the referee. Upon receiving this (second) protest, the referee is required to turn the protests over to the jury of appeals who will make the final decision. The referee must leave the jury and not be involved in their deliberation. This decision is final and without appeal.
6. Decisions of game officials are final. Protests arising from the decisions of the officials or any inadvertent misinterpretation of the rules will not be considered by the Conference.
7. Video evidence may be used to support a protest or appeal.

PROTOCOL

There shall be absolutely no cheering by coaches, officials or non-competing student-athletes from the infield or on the track itself.

SCORING

The championship shall be scored to eight places for both track and field events. The value of the first through eighth place shall be as follows: 10, 8, 6, 5, 4, 3, 2, 1. Scoring shall be the same for individuals and relay events.

SPIKE RECOMMENDATION

It is recommended that 1/4 inch or 7 mm spikes are used at the McClimon Track Complex.

TEAM SEATING

Seating for student-athletes and coaches is reserved on the berm located to the East side of the McClimon Track. This area is separate from the spectator seating section and is reserved for the sole use of meet participants.

TEAM TENTS

Teams may order one tent each by contacting Ryan Richards (ryan@lakeshoreathleticservices.com) from Lakeshore Athletic Services. You may purchase the 20ft x 20ft tent for $350. A small service charge may apply to credit card orders. The **Team Tent Order Form** is located on page 30. The Team Tent Order Form should be submitted to Ryan Richards by **Friday, April 27**.

TICKETS

Please see Ticket Information Letter, found on page 19, for all ticketing information.

TIES

Ties in team and individual competition at the Conference championship shall stand, with the exception of ties in the field events. If placement in track events can be determined by the championship's visual image system, ties will then be broken by 1/1000 of a second. The NCAA Track and Field Rules Book shall be referred to for the method of separating ties produced by identical measurements in the field events.

Duplicate awards will be awarded by the Conference office.

UNIFORMS / NUMBERS

Each institution's student-athletes shall wear only the university's official equipment (warm-ups, competition equipment) as covered by the Conference rules.

If a student-athlete is in violation of this rule, an official will give one warning to both the coach and the student-athlete.

If the correction is not made, the student-athlete in violation will be disqualified by the referee from all remaining events. Any points made by the student-athlete in question before the disqualification shall stand.

WARM-UP AREA

Warm-up area is located east of the McClimon Track Complex across Walnut Street. Team tents, athlete hospitality, and medical areas are also located in the warm-up area.

   If six lanes compete, use lanes 2-7, 3-8
   If five lanes compete, use lanes 3-7, 3-7
   If four lanes compete, use lanes 3-6, 3-6
   Lane assignments are never altered after the Organization Committee has approved them. If all eight or nine lanes are filled and one student-athlete drops out, that lane shall remain vacant.
3. If a 10-lane track is used, there shall be a nine-person final in all events except in relays where there will be a 10-team seeded final. With the exception of relays, lanes 1-9 will be seeded to the process used for a nine-lane track. If 10 lanes are used for the relays, seeding will be based on best performances.
4. Runners legally entered and declared in all running events run and give an honest effort to advance to the next round or to score, or be disqualified from all remaining competition. Points scored prior to this infraction shall stand. However, a student-athlete barred from scratching or dropping out because of injury or illness may return to the competition if the championship physician substantiates the aliment and subsequent recovery to the referee.

   In such a case, the physician must substantiate the ailment within 30 minutes following the moment when the student-athlete either scratches from an event or fails to finish an event due to injury or illness. If extraordinary circumstances render it impossible for this to occur within 30 minutes, it shall occur at the earliest reasonable opportunity. *(Revised and Effective 2/08)*
5. *Only those runners can be seeded who have a wind legal time for the event in which they have been entered.*
6. *If the heat leader withdraws from the race, the event will be redrawn. (Effective 8/1/00)*
7. *If student-athletes tie by time for the last slot(s) into the final, this shall be handled as follows:*
   1. *For events of 400 meters and shorter, there shall be a two-section final if a tie occurs in the qualifying round. The second section shall include heat winners and all others who qualify to the final by place and time. The first section will consist of tied runners. Time will determine final places, from two sections.*
   2. *For events over 400 meters, there shall be a one section final.*
8. *Relay entries shall be declared with other entries. Relay personnel cards will go to the clerk of the course no later than 15 minutes prior to the start of the two relays.*

B. *Staggers*

1. *The direction for the 100-meters, 100- / 110-meter hurdles and 200-meters will be determined by the Games Committee, when possible.*
2. *The 800-meters will be a one-turn stagger.*
3. *The 1500-meters will be a run from a waterfall start.*
4. *The 3,000-, 5,000- and 10,000-meters will use a waterfall start with two alleys and a one-turn stagger.*
5. *The 4x400-meter relay will be run from a three-turn stagger.*
6. *The 400 meters, 4x100-meter relay and 400-meter hurdles shall be run in lanes all the way and from a two-turn stagger.*

C. *Qualifying Procedures for the 100-meters/100-meter hurdles, 110-meter hurdles, 200-meters, 400-meters and 400-meter hurdles:*

1. *For an eight-lane track –*
   No. of Entries: Method of Qualifying
   1-8: Finals only
   9-16: Two heats (qualify two from each heat and the next four best times to the finals)
   17-24: Three heats (qualify two from each heat and the next two best times to the finals)
   25-32: Four heats (qualify the heat winners and the next four best times to the finals)
   33-40: Five heats (qualify the heat winners and the next three best times to the finals)
2. For a nine-lane track -
   No. of Entries: Method of Qualifying
   1-9: Finals only
   10-18: Two heats (qualify two from each heat and the next five best times)
   19-27: Three heats (qualify two from reach heat and the next three best times)
   28-36: Four heats (qualify the heat winner and the next five best times)
3. Heats shall be drawn from the descending order list using the serpentine method according to the NCAA Rulebook.
4. In drawing heats, the same number of lanes will be used in all heats of an event, regardless of the number of student-athletes in each heat.

D. 800-meters (Revised and Effective 4/17/02)

1. A one-turn stagger shall be used.
2. Position placement in the trial heats will be random.
   1. No more than eight runners and no less than five shall run in a heat in the trials.
   2. When there are fewer runners than lanes on the track, all lanes will be used to randomly assign lanes.
3. The heat structure in the trials shall be as follows:
   # of Competitors: Heat Structure
   9 or less: finals only
   10-16: two heats
   17-24: three heats
   25-32: four heats
   33-40: five heats
4. Advancement into the finals shall be as follows:
   1. From two heats – top two in each heat plus next five best times.
   2. From three to five heats – heat winners plus time.
5. Nine runners shall qualify into the finals.
   1. Heat winners will draw for the preferred lanes in the middle of the track. All others will be placed randomly.
   2. On an eight-lane track, the last three qualifiers will be randomly placed in a box in lanes seven and eight.
   3. If finals only, all seeding will be random.
6. Heats shall be drawn from the descending order list using the serpentine method according to the NCAA Rulebook.
7. In drawing hears, the same number of lanes will be used in all hears of an event, regardless of the number of student-athletes in each heat.

E. Qualifying Procedures for the 1,500 meters

No. of Entries: Method of Qualifying
1-12: Finals only
13-24: Two heats (qualify the top four from each heat and the four fastest)
25 & over: Three heats (qualify the top three from each heat plus the three fastest)

1. Heats shall be drawn from the descending order list using the serpentine method according to the NCAA Rulebook.
2. In drawing hears, the same number of lanes will be used in all hears of an event, regardless of the number of student-athletes in each heat.

F. Seeding procedures for the 3,000 meter steeplechase

This event shall be drawn by lot for lane position, unless two lines are needed; if so, seed the front line with the top twelve (12) entered times. The maximum number of competitors on the front row will be sixteen (16). If two rows are used, the maximum on the front row will be twelve (12). If there are 16 or fewer competitors, use one row. If there are 17 or more competitors, use two rows with 12 in the front row and all others behind. (Effective 8/1/00)

1. The waterfall start shall be used with two alleys and a one turn stagger
2. The top 20 seeded runners will randomly drawn with 1-14 on the first alley, 15-20 on the second alley, all others will randomly draw start positions on row 2 of each alley with 21-34 in alley 1 and 35-40 in alley 2.

G. Seeding procedures for the 5,000-meters and 10,000-meters (*Revised and Effective 5/04)*

1. Two waterfall starts shall be used with two alleys and a one turn stagger
2. The top 20 seeded runners shall be placed in random positions on the front row. Fourteen athletes will be places in the front row of the inside alley, and six athletes will be places in the front row of the outside alley.
3. Runners with the 21st-40th seed times will be places in random positions in the second row. Fourteen athletes will be places in the second row of the inside alley, and six athletes will be places in the second row of the outside alley.
4. If the 10,000-meters is started, but cannot be completed, it shall be declared a “no-race”. No points or individual medals will be awarded.

H. Relays – (see relay conversion tables attached)

1. 4x400-meter Relay
    1. A three turn stagger will be used.
    2. Two sections shall be run. The top three point scoring teams going into the relay on the last day of the championship shall be together in the second heat. The relay teams with the next three best times shall also be in that second section. *(Revised 3/00, 4/03; Effective 4/03).*
    3. The final results will be based on time.
    4. All other events must be completed and the updated team scored announced prior to the start of the 4x400 relay. *(Revised and Effective 2/08).*
2. 4x100-meter Relay
    1. The final will be run in lanes all the way.
    2. If there are more teams entered than lanes on the track, trails shall be conducted on the second day of competition. *(Revised and Effective 2/07).*
    3. If trials are held, two teams from each heat will advance to the finals plus the next four fastest times for an eight lane track and next five for a nine lane track. For the final, seed two lanes at a time, drawing for lanes with the fifth (5) fastest times qualifiers in lane 1 for a nine (9) lane track.
    4. In the case of finals only, teams will be seeded bases on their entry times from the center of the track.
    5. NCAA rules shall be followed regarding exchanging personnel between preliminaries and finals.

I. Shot Put, Discus, Javelin and Hammer

1. The top nine (9) student-athletes will qualify to the finals.
2. Flights shall be drawn based on descending order; the order shall then be randomized within the flight.
3. Flights shall consist of no less than six (6), no more than twelve (12) competitors. *(Revised and Effective 4/03)*
4. A 15-minute warm-up period shall be available before each flight. If the flight consists of 11 or more competitors, the warm-up time shall increase to 20-minutes. This time period shall be limited to competitors in the upcoming flight. Once the top nine have been determined, a 10-miute warm-up for the finals shall be implemented as needed.
5. The time limit for an attempt will be one minute.

J. Long Jump

1. The top nine student-athletes will qualify to the finals.
2. Flights shall be drawn based on descending order; the order shall then be randomized within the flight
3. Flights will consist of no less than six (6), no more than twelve (12) competitors. *(Revised 4/03, 2/08; Effective 2/08)*
4. A 15-minute warm-up period shall be available before each flight. If the flight consists of 11 or more competitors, the warm-up time shall increase to 20-minutes. This time period will be limited to competitors in the upcoming flight. Once the top nine have been determined, a 10-miute warm-up for the finals shall be implemented as needed.
5. The time limit for an attempt will be one minute.
6. In addition, takeoff boards shall be made of wood, with specifications that are consistent with NCAA requirements. *(Revised and Effective 2/08)*

K. Triple Jump

1. Follow the same procedures as for the long jump.
2. Takeoff boards shall be positioned according to the NCAA rule book.
3. The time limit for an attempt will be one minute.

L. Pole Vault *(Revised and Effective 5/04)*

1. The order will be drawn by lot.
2. Starting height and increments will be established at approximately 30 centimeters below the ninth best declared mark. *(Revised 12/97, 2/12; Effective 2/12)*
3. The time limit for an attempt will be one minute. *(Revised and Effective 12/9/97)*
4. In addition to NCAA rules, the following safety procedures shall be followed *(Revised and Effective 7/25/02)*:
    1. The landing pad shall also have a 8’ x 10’ target zone called the “preferred landing zone,” sewn or painted with two 4-inch wide stripes on its top pad. The rectangle shall begin 3’6” behind zero line when the landing pad is set in its proper position. The purpose of the preferred landing zone is to offer coaches and vaulters a guide for safe, efficient landings.
    2. The home event management will designate a coach’s area next to the pole vault event. This area should be marked in an appropriate way to designate this coaching area. The coach’s area will permit one coach per intuition to have access to vaulters for coaching activity.
    3. The runway should be marked along its edges not to extend further than 3” from its sides in foot markings – measured from the back of the planting box (back of the stop board), in the following manner: 6’, 7’, 8’, 9’, 10’, 11’, 12’, 13’, 20’, 30’, 40’, 50’, 60’, 70’, 80’, 90’, 100’, 110’, 120’. These markings may be permanently painted or scribed to the sides of the runway. Further, competitors should be encouraged to mark their stops, and mid marks, along the sides of the runway (not to extend into the runway more than 3”) with chalk or tape.
    4. Prior to warm-up, the field referee, head field judge, event judge, or assigned inspector of implements shall inspect the event venue (to include landing system and planting box).
    5. Per NCAA rule 6-6-4, the practice of “tapping” is prohibited during warm-ups and competition. Failure to adhere to this prohibition will result in immediate disqualification from the competition for the assisted athlete.

M. High Jump *(Revised and Effective 5/04)*

The same procedures shall be used as for the pole vault, except that the starting height will be established ten centimeters below the ninth best declared mark. The time limit for an attempt will be one minute.

N. Heptathlon (women's championship only) *(Revised and Effective 5/04)*

1. The Heptathlon shall consist of seven events that will be held on two consecutive days (Friday and Saturday) in the following order:
   First Day
   100-meter hurdles
   high jump
   shot put
   200-meters
   Second Day
   long jump
   javelin
   800-meters
2. For the 100-meter hurdles, hurdles shall be placed in consecutive lanes, but the athletes shall run in alternate lanes. No athlete shall run in any lane without a hurdle both inside and outside their lane. *(Revised 8/04, 2/10; Effective 2/10)*
3. The winner shall be the competitor who has scored the highest number of points in all events awarded on the basis of the International Amateur Athletic Federation (IAAF) scoring table. *(Revised and Effective 3/08)*

O. *Decathlon (men's championship only) (Revised and Effective 5/04)*

1. The decathlon shall consist of 10 events that will be held on two consecutive days (Friday and Saturday) at the Conference championships. The events will be in the following order:
   First Day
   100-meter dash
   long jump
   shot put
   high jump
   400-meters
   Second Day
   110-meter hurdles
   discus
   pole vault
   javelin
   1500-meters
2. For the 110-meter hurdles, hurdles shall be placed in consecutive lanes, but the athletes shall run in alternate lanes. No athlete shall run in any lane without a hurdle both inside and outside their lane. *(Revised 8/04, 2/10; Effective 2/10)*
3. The winner shall be the competitor who has scored the highest number of points in all events awarded on the basis of the International Amateur Athletic Federation (IAAF) scoring table. *(Revised and Effective 2/08)*
