SIMMONS-HARVEY INVITATIONAL

JACK HARVEY MEN'S INVITATIONAL & RED SIMMONS WOMEN'S INVITATIONAL SATURDAY, JANUARY 14, 2017

The Simmons Invitational is held annually in honor of Ken "Red" Simmons. He is considered the "founding father" of Michigan Women's Track & Field and continued to support the program with his time and generosity until he passed in 2012.

The Jack Harvey Invitational is held annually in honor of Jack Harvey, who led the University of Michigan track & field team for 25 seasons from 1975-1999.

INDOOR TRACK BUILDING

Originally constructed as the Indoor Track and Tennis Building in 1974, the completion of the Varsity Tennis Center allowed for the removal of the tennis courts and the 1997 renovations. During these renovations, the Indoor Track Building's six-lane track switched from a tartan-surface to Durathon-surface, and the pole vault, long jump and high jump pits were moved into the middle of the track.

Last winter in December 2015, a resurfacing project of the Indoor Track Building's six-lane track took place, covering 28,000 square feet. The resurfacing was performed by the Beynon Company, and the surface is their BBS2000 Surface with a Hobart finish on the runways.

The new-look surface at the Michigan Indoor Track Building

When the new building opens in December 2017, it will contain the same surface with a 2,000-seat capacity indoors, featuring 200-meter banked and 300-meter flat tracks. It will be the only facility in the United States with both tracks. Outdoors, the facility will have a 500-seat capacity set of bleachers conveniently placed in between the outdoor track surface and the throwing bays, adjacent to the indoor facility.

The same surface will be at our new facility, set to open December 2017
