## Administration of Championships

Administration of the championship is the responsibility of the conference representative and the athletics director of the host institution. They shall delegate duties and responsibilities to staff members and officials, as necessary, to ensure the efficient administration and promotion of the meet. The following groups and individuals shall be used for support in the capacities indicated:

**The Conference Representative:** The on-site representative of the conference office, using all appropriate resources available shall serve as the final authority on any changes, additions, deletions and/or interpretation of NEC policy as necessary, during and/or after all NEC championships.

**The Meet Administrator:** The meet administrator shall be appointed by the Conference office with responsibilities of obtaining meet officials, coordinating the meet's schedule, and generally ensuring that the meet follows prescribed NCAA and NEC guidelines.

**The Meet Director:** The athletics director of the host institution shall appoint the meet director. The meet director also should be knowledgeable of the Conference's championships guidelines. The meet director will not be a head coach of a team participating in the championships.

**The Meet Referee:** The meet referee(s) shall play a central role in the administration of the championships. The duties and responsibilities of the meet referee are outlined in NCAA Rule (3.4.1-3).

**The Games Committee:** The primary purpose of the Games Committee is to give specialized assistance and guidance to the meet administration and conference representative in the preparation of the meet. The games committee shall consist of the meet administrator, meet director, NEC representative and members of the NEC Track & Field Committee.

**Seeding Committee:** The seeding committee is responsible for determining the number of heats, flights, qualifying procedures and staggers for championship events, per provisions outlined in this handbook. In setting up heats, the policies of this handbook shall be followed. NCAA rules shall govern when addressing a situation not covered in this handbook. The seeding committee will consist of the host institution's head coach(es), the NEC representative, the meet administrator, the meet director and two-three additional coaches appointed by the conference office. The coaches serving on the seeding committee for 2018 shall be: **from the host MSM – Jay Phillips, Doug Hoover (SFU), Joe Stasi (WAG), and Mitchell Switzer (BRY).** The Conference office will rotate these appointments, annually, by school name alphabetically.

**Jury of Appeals:** The jury of appeals shall consist of three head coaches, with a yearly alphabetical rotation being used based upon the names of the institutions. **For the 2018 meet, the rotation shall include Eric Blake (CCSU), Sharlene Milwood-Lee (FDU), and Simon Hodnett (LIU).** The duties of the jury of appeals are listed in the NCAA Rule book.

## Awards/Participants Gifts

Student-athletes placing first, second and third will receive NEC Medals. Awards will be presented to the top 3 in each event throughout the event, see Award Timeline for details. The PA announcer will announce the Top 3 finishers in each event and a medal will be presented with a photo opportunity for spectators.

The following awards will be presented in a brief ceremony that is scheduled to begin immediately following the conclusion of the championship on Sunday.

- Outstanding Sprinter and Distance Performer in both women's and men's championships
- Outstanding Thrower and Jumper in both women's and men's championships
- Rookie of the Meet in both women's and men's championships
- MVP in both women's and men's championships
- Second-Place team trophy in the women's and men's championship
- First-Place team trophy in the women's and men's championship

Coaching Staff of the Year will be voted on via email ballot following the event. Forms are included in the coaches' packet and will also be emailed following the event. Coaches can return their ballots at the conclusion of the meet or return them by email to NEC Representative. All forms must be returned by Thursday, May 10<sup>th</sup> at 5:00pm. The winner will be announced in the All-Conference press release.

Participant gifts for track & field student-athletes were distributed prior to the NEC Indoor Championship. If you have additional athletes on your squad, who only compete during the outdoor season and you did not already include them in your Indoor order, please notify Caitlin Hughes at the NEC office with the specific number of additional gifts you need by Monday, April 30<sup>th</sup>.

## Awards Point System

The selection of the championships' Outstanding Performers, Rookie of the Meet and MVP will be determined via the below outlined point system. Coaches are responsible for making Ralph Ventre aware of their athletes who may be eligible to win these awards.

1. Total individual points scored in the meet.
2. Percentage (%) of points scored for relays
  - a. 4x100, 4x400 & 4x800 relays – 25% for all runners who participated in relays
3. Bonus points for the following:

Accomplishment	Individual	Relays (25%)
ECAC/IC4A Qualifier	1 point	.25 points
Event Winner	2 points	.50 points
*NEC Record Holder	2 points	.50 points
*Surpasses previous NEC record, but is not new record holder	1 point	.25 points

\*Example – 1st & 2nd place people both broke old mark, 1st place gets two bonus points, 2nd place person gets one bonus point

- Only field points will be looked at for field awards and only track points will be looked at for track awards. Relay points will be eligible for any award.
- Total track & field points will be looked at for MVP and Rookie of the Meet awards.
- If a record or qualifying standard is set at any point in the meet (trials or finals), the athlete will be awarded bonus points.
- An athlete will only get bonus points for one qualifier per event.

## Certification of Eligibility

It is the responsibility of each institution to certify that all student-athletes entered to participate in championship(s) meet all applicable NCAA, Northeast Conference and institutional requirements, and are eligible to represent their respective institution in NCAA and NEC competition.

## Championship Meetings

The seeding meeting for the championship will be held via conference call on Thursday, May 3<sup>rd</sup> at 7:00 p.m. The call information will be sent to seeding committee members prior to the call. The following are members of the seeding committee: from the host MSM – Jay Phillips, Doug Hoover (SFU), Joe Stasi (WAG), and Mitchell Switzer (BRY).

**Please note: scratches MUST be submitted via email ([chughes@northeastconference.org](mailto:chughes@northeastconference.org)) or text (860-614-8814) to Caitlin Hughes by 6:00pm on Thursday, May 3<sup>rd</sup>.**  
All scratches made after entries are due will be meet scratches.

A mandatory **technical meeting** to review logistics and procedures for the championship will be held on Friday, May 4<sup>th</sup> at 6:00 p.m. in a location TBD in the PNC Sports Complex (ARCC). This meeting is a technical meeting and is not intended to be a business meeting. The meeting will be used to review championship administration, technical information and review heat sheets. If a head coach cannot attend the meeting, a representative of the institution must take his/her place. If challenges are presented the head coach must be able to present the meet results for that time/mark.

## Coaches Packets

Coaches' packets will be distributed to coaches at the technical meeting. Packets will contain performance lists, competitor numbers, pins, Coach of the Year voting ballots, Team Sportsmanship voting ballots, protest forms, relay entry forms, overall awards ballot and meet rosters. Heat sheets will be distributed at the conclusion of the meeting.

## Code of Conduct

Each participating institution in this championship has the primary responsibility to cultivate and maintain wholesome conditions and behavior for coaches, athletes and spectators by ensuring maximum sportsmanlike conduct throughout the championship(s).

The conference's code of conduct requires coaches and athletes to conduct themselves in a dignified and courteous manner. Negative comments, insults and physical threats to other individuals (i.e., participants, officials, etc.) will not be tolerated and will lead to immediate ejection from the championship and could

lead to additional sanctions from the Conference (e.g., letter of reprimand, suspension from subsequent NEC competition).

## Competitor Numbers

Each competitor will be assigned one competitor number for the championship that must be worn on the front during all competition (except pole vault and high jump athletes, who will have the choice to wear the competitor number on either the front or back). Please remind your student-athletes to hold onto their competitor numbers for the duration of the championship.

## Concession & Food & Restaurants

A concession tent set up behind the fan seating area will be open daily. If your athletes require special food/refreshments, you should bring it with you.

## Credentials

All requests for credentials for administrators and the media attending the championship must be directed to Caitlin Hughes at the Conference office. Administrative passes for visiting NEC athletic personnel will be limited to six (6). Use the following URL to submit your credential requests:

[http://northeastconference.org/sb\\_output.aspx?form=117](http://northeastconference.org/sb_output.aspx?form=117)

## Declared Entries & Rosters

Please see attached Direct Athletics instructions at the end of this handbook for specific roster and entry procedures. **All rosters and entries for the 2018 NEC Outdoor Track & Field Championships must be submitted via the [www.directathletics.com](http://www.directathletics.com) website. Please Note: A copy of your roster and entries must be emailed to [chughes@northeastconference.org](mailto:chughes@northeastconference.org) from the *Direct Athletics* website.** Each coach should already have username and password information, but if you need a new account or need to locate your account information, please contact either Caitlin Hughes at the NEC or customer service at Direct Athletics, via its website. A link to the Direct Athletics website ([www.directathletics.com](http://www.directathletics.com)) will be listed on the Men's and Women's Outdoor Track pages on the NEC website.

### **Rosters must be submitted by Wednesday, April 25<sup>th</sup> at noon.**

Roster instructions are attached. All individuals who may compete must be listed on your roster, even people who may only run a relay, so they can be assigned a competitor number. Only student-athletes who are eligible to compete should be listed on your rosters. Since you should already have last season's rosters on the website, you will need to just update the information already on the website and add any new team members. Please remember to adjust class years for your student-athletes and delete any athletes no longer on the team.

**Your team's performance list must be updated on the Direct Athletics website by Tuesday, May 1<sup>st</sup> at 10:00 am.**

**Official declared entries must be e-mailed to the NEC by 8:00 p.m., Wednesday, May 2<sup>nd</sup>.**

Teams are limited to six entrants per event. In the event of a violation to the maximum number of entrants, the meet referee will select the slowest individual and/or randomly select an athlete if no times are listed. Entry directions are attached. All entries must be submitted via the DirectAthletics website ([www.directathletics.com](http://www.directathletics.com)), otherwise they will not be accepted.

## Running & Field Events

- List actual performances, times as they were run. If you are submitting a hand time, please make sure to list an (h) following the time.
- Hand times **will not be accepted** for the 100 meters, 100/110 meter hurdles and 200 meters. Athletes entered in these events must be entered with times from a fully automated timing device. NO CONVERSION TIMES WILL BE ACCEPTED.
- Field event athletes are required to be entered with seed marks. **Field event marks must be metric.** Marks will appear on the heat sheets.
- If you are entering an athlete with a NT, just leave the time/performance blank and it will register the athlete without a time or seed mark.
- **As per NCAA Rules, you may convert mile times to 1,500 meters.** Be sure to use the formula in the NCAA Track & Field Rule Book. Time must be converted to 1,500 meters by dividing by 1.08. Example: Athlete timed in 4:02.70 (242.70 seconds) in the mile.  $242.70/1.08=224.72$  seconds (3:44.72) for 1,500 meters.
- The mile to 1,500 meters will be the only conversion accepted.
- In the entry notes section when registering athletes, please be sure to list the meet and date when the performance was recorded.
- Remember that if you enter your athlete with a performance good enough to be on the DirectAthletics Top 15 list, but have not had that student-athlete included on the list during the year, the performance will be listed as NT for seeding purposes.
- Any other changes after the deadline will be meet scratches. The NEC may use discretion to make adjustments, if necessary (e.g., typo on a submitted entry time).

**VERY IMPORTANT: Please be sure to submit your rosters and declared entries by the specific date and time for each deadline. With the computer website system, your access to submitting certain information will be locked once the deadline is approached, and therefore your access will be denied if you try to enter after the deadline. Make sure to get all your information submitted in a timely manner.**

## **Facility**

In the event of inclement weather, a tent will be made available for athletes who have reported for competition and/or are warming up/down from competition.

Only athletes who have been called for a particular event or reason will be allowed on the infield or in the Officials' area. ## Schedule of Events

## Sportsmanship Counts: A Northeast Conference Initiative

1. Participants in intercollegiate athletics should display proper respect and courtesy, and maintain civility toward opposing coaches and student-athletes, officials and spectators at all contests.
2. Coaches bear the responsibility of teaching the value of sporting conduct in both word and deed to their student-athletes. The use of foul or vulgar language is inconsistent with this responsibility, and is therefore strongly discouraged on the part of coaches and student-athletes alike.
3. There is no place in intercollegiate athletics for taunting, embarrassing or humiliating an opponent or official. Student-athletes who do so, should be disciplined by their head coach in a timely manner. Coaches who do so, should be disciplined by their administration in a timely manner.
4. Representatives of NEC member institutions shall refrain from making any public criticism of other member institutions, their personnel, the Conference in general and its office staff, or any officials.
5. Coaches and administrators shall make every effort to promote the Conference and its member institutions in a positive manner.
6. Coaches and student-athletes should exercise self-control with officials during competition and shall refrain from approaching officials at the end of a period or at the end of a contest to address them in a disrespectful manner, complain about an officiating call, or express their displeasure with the official's performance.
7. Coaches and student-athletes must understand that competing in intercollegiate athletics is a privilege, not a right. Their behavior and attitude toward opponents, officials and members of the media should reflect positively upon the institution they represent.
8. Institutional administrators are responsible for insuring that all parties involved in intercollegiate athletics - including student-athletes, coaches, trainers, managers, band members, cheerleaders and mascots – are informed of the acceptable behavior that is expected of them and are aware of the consequences when failing to abide by the acceptable code of conduct.
9. Coaches and student-athletes should be encouraged to live up to their own highest personal standard of sportsmanship, even when their opponents may not. Personal accountability and respect for one's own standards must come first.
10. The responsibility to demonstrate and develop good character and sportsmanship should never be subordinated to the desire to win. The vital lessons and intrinsic value of sports are acquired through the competition and honorable pursuit of victory, rather than the outcome itself.

## Study Room

A designated study area/room will be provided if any student-athletes would like to go to a quiet area to study, while they are not competing at the championship. The study area will be located in the ARCC Overlook on the second floor concourse.

## Tents

Teams are more than welcome to bring tents. **No tents will be allowed in the bleachers.** Tents can be pitched in any area of the playing fields next to the track but not in front of the bleachers or between the throwing areas and the track. No tents will be allowed in the infield.

## Tickets

Participants will gain admission by dressing in school issued uniforms. Coaches, administrators (a maximum of 6 administrators) and the media will receive credentials.

All NEC students with proper institutional I.D. will be admitted free. All other individuals will be charged admission. Ticket prices are \$10 per day for adults, \$5 per day for those under 18. Children 10 years of age and under will be admitted free. Two-day tickets also will be available, \$15 for adults and \$8 for children 10 to 18 years of age. All tickets will be sold at the entrance of the complex.

## Tobacco, Alcohol Policy

The use of any tobacco product on or adjacent to an NEC championship playing facility is prohibited. Any use of a tobacco product by any coach or student-athlete discovered by an official or NEC representative at any NEC championship practice or competition shall result in immediate disqualification from the remainder of the championship for the individual committing the violation.

The sale of alcoholic beverages at NEC championships is prohibited unless approved in advance by the Council of Presidents. It is not permissible for alcoholic beverages to be brought to the competition site by spectators, participants, coaches, patrons or facility employees.

## Uniforms

The NEC will strictly enforce the NCAA Uniform Rules that are listed in the Men's & Women's Track & Field Rule Book. Please refer to Rule 4.3.1-5 for more specific information.

**Coaches will need to designate their uniform colors for the weekend at the Coaches' Meeting.**
